

Power Conversion
X7600/X11400 Series Islanding Inverter™

FOR REFERENCE ONLY; NOT FOR CONSTRUCTION.
Installer responsible for code compliance.

Published: 02/06/19

This design shows a Pika Energy Island with a Protected Loads Panel to provide backup power to loads (12 kW surge, 8 kW continuous). Condominiums and rented spaces utilize this design where accessibility for PV is not possible.

This configuration is acceptable with most 200A residential services.

Battery Only / PV Ready [0312-01]

- 1 Islanding Inverter
- 1 REbus Beacon
- 1 Pika Smart Battery
- 1 CT Kit
